FOREWORD

WE present in the conservative lists of Dahlias, Gladiolus, Roses, etc., given in this folder only the very choicest varieties selected with utmost care and earnest consideration.

WE GUARANTEE anything we send to be true to name and healthy and will cheerfully adjust the matter to your entire satisfaction should any prove otherwise. The only people we can sell the second order are our friends, so we are going to try and make you a friend if you will give us a chance.

ORDER EARLY, so as to prevent disappointment. As orders are received stock will be reserved and sent at proper planting time. The sooner your order is received the more liberal will be the extras and with every order for bulbs or Dahlia roots amounting to more than \$2.00 we will include something extra.

TERMS. Remittance with order or in advance of shipment a small deposit reserves your order. If cash is sent by mail, it should be registered. All local orders and those for Kansas City may be paid for on delivery. Free delivery on anything to Greater Kansas City and vicinity.

VISITORS WELCOME to our Gardens at all times, where we specialize in the better varieties of Dahlias and Gladiolus. Don't miss a trip to Almeda Gardens before frost, where a riot of color awaits you. Come, see some new variety and enjoy them at your leisure.

OUR LOCATION is just a short distance south of Kansas City and may be reached by Wornall Road, Holmes Road, Grandview Road, or U. S. Highway No. 71. Our Gardens are one mile north of Grandview, Missouri.

CUT FLOWERS of Dahlias and Gladiolus 50c to \$2.00 a dozen at our Gardens. By parcel post, special delivery 50c extra.

As Dahlia bulbs or tubers are really roots, it has been decided to call them roots—their proper name—in the future.

Gladiolus --- The King of Flowers

Gladiolus are so easy to grow that even if you don't have good "luck" with flowers, you can hardly fail with Gladiolus. Plant a hundred or so assorted sizes in your vegetable garden, you will have cut flowers all summer long. Our bulbs are chemically treated each year before planting to keep them free of diseases. All Gladiolus bulbs are large size, unless otherwise stated, and are delivered to you postpaid.
